

Advance Registration Now Open

Let your voice be heard! We invite you to [Register Now](#) for the 2012 (Group A) Code Development Hearings, April 28 – May 6 in Dallas, Texas.

Help Shape and Develop the 2015 I-Codes

The hearings offer Building Safety, PMG and Fire professionals the opportunity to help shape the 2015 I-Codes. This event is an excellent way for building professionals, ICC Members and non-members to *learn more about the code, get involved in the code development process, and **be heard!*** Hearing participants will consider proposed code changes to the following (Group A) codes:

- International Building Code® (IBC)
- International Fuel Gas Code® (IFGC)
- International Mechanical Code® (IMC)
- International Plumbing Code® (IPC)
- International Private Sewage Disposal Code® (IPSDC)

Who Should Attend the Hearings?

- Code Officials and Inspectors
- Structural Engineers and Architects
- Contractors and Builders
- Plumbing, Mechanical and Fuel Gas Professionals
- Fire Safety Professionals
- ICC Members and non-members

ICC Membership is not a requirement to attend and participate in the hearings, although it is encouraged so that you can enjoy the valuable benefits and services that an ICC Membership provides. [Click here](#) to learn more.

Confirm Your ICC Membership Information to Vote at Code Hearings

New and updated membership information must be received no less than 10 days prior to the first day of the meeting in order for members to exercise their voting privileges. The membership deadline for this meeting is close of business on April 18. [Click here](#) for the form.
