Fairfax, Va., Jan. 12, 2012- The IAFC is currently looking for members to be appointed to a newly-formed IAFC Company Officer Committee. President Al Gillespie established this committee in order to address company officer issues of interest and concern and to support leadership training and development of future chief officers. Captain Michael Jaffa of the Santa Fe County (N.M.) Fire Department has been appointed as the Committee Chair.

If you are interested in being considered for appointment to this committee, please send your resume and a letter of interest to [Joelle Fishkin](#), component relations manager, no later than January 31. Preference will be given to members who are currently serving in the role of company officer. In addition to appropriate work experience, the IAFC seeks to achieve geographic balance and diversity among committee members.

All committee members are expected to play an active role in committee activities and contribute to the mission of the committee. Committee members will be expected to participate on monthly teleconferences and attend Fire-Rescue International 2012 in Denver. There will be no IAFC funding for travel to FRI.
