IAFC Conferences: Full schedule details and registration now available online

Fairfax, Va., Mar. 6, 2008... Whether your focus is fire-based EMS, hazardous materials, company officer training or chief officer leadership courses—the IAFC has the conference for you.

Your association provides conferences focused on the leadership skills and fire service expertise you need to stay ahead. IAFC conference sessions are taught by industry experts, address the cutting-edge topics members have identified as important, and are available at member discount rates.

Check out each of the conference sites below for a full schedule of sessions, speakers and networking events. Registration is open for the following conferences:
