

EDIAFC Conference Registration

Please read carefully prior to completing the registration form to assure your best experience at the conference. The best way to learn about the conference is to use the Division web site and all of the related links you will find there. Go to www.ediafc.org/conference.html for info.

All of the events at the conference can be found on the web site including technical session descriptions and bios of the speakers. Anyone registered for the conference or as a partner is invited to attend the Keynote Address, Memorial Service, plus any of the technical or business sessions and the outdoor display. Friday and Saturday only registrations entitle the holder to all events of that particular day.

Partners Registration includes the Baseball game and a luncheon and culinary demonstration by the Hotel's catering staff. Partners may opt to attend the barbeque luncheon in lieu of the culinary demonstration.

The **annual banquet** is not included in the registration fee. Tickets must be purchased separately at the cost of \$50.00 per person.

The Heritage Hill Golf Resort and Conference Center

This year's conference hotel is an outstanding facility, centrally located in the middle of the Eastern Division's geographical boundaries. If you have not already done so, check out the hotel from our web site by clicking the gold hotel logo or by going directly to <http://www.hhgr.com>.

The hotel web site is one of the best you will find and offers a wealth of information on accommodations, dining, entertainment, golf and the spa, as well as local area attractions. The hotel web site also can provide you with travel directions. There is free parking at the hotel. Heritage Hills has everything that a conference attendee could possibly want. There are spacious and comfortable rooms, and you never need to leave the hotel to go to a meeting.

Dining options include a gourmet dining room, casual dining and a sports bar that serves indoors and outdoors. The **lounges** stay open until early morning and will provide live music Friday and Saturday night during the conference.

Golf at Heritage Hills is available right outside your door. There is an 18-hole championship course on the property as well as a driving range and miniature golf for those who prefer less of a challenge. The hotel also can arrange for golf at their nearby partner course, the Springwood Golf Course, just minutes away. Avid golfers should consider coming early or staying an extra day to try either course. Tee times must be booked directly through the hotel at 1-877-782-9752 when making your room reservations. Make sure to mention you are attending the Fire Chiefs Conference to receive the reduced rates. **It is strongly recommended that you reserve tee times in advance to assure your desired time of play.**

The Serenity Spa and Salon at Heritage Hills offers a full menu of spa and salon services. The Spa offers another alternative for partners to relax and enjoy their day with a massage or special spa treatment. The Salon offers the opportunity for hair and body treatments of all types. Full details with spa menus and prices are available on the hotel web site, which can be found at <http://www.hhgr.com/serenityspa.html>. **It is still strongly recommended that attendees make Spa and Salon appointments in advance to guarantee your choice of time and treatment.** Contact the Spa at 1-877-782-9752

Area attractions can be found by visiting the hotel web site or the York Convention and Visitors Bureau Web Site. The EDIAFC Conference Page, www.ediafc.org/conference.html, has link to both places. Representatives from the Bureau will also be assisting with registration for the conference and will provide you with hand out information and be available to answer any questions you may have.
